To Whom It May Concern:

It is with great pleasure that I am able to write this letter of recommendation for Stacy H. Greene Paralegal, LLC.

I have worked with Stacy on numerous occasions and have found her work ethic and attention client service to be outstanding. She carries herself in a professional manner and is very knowledgeable in every aspect of family law.

Stacy is able to handle everything regarding a case from the initial consultation with the prospective client all the way up through trial. Her resulting work is beyond reproach and her work product is always accurate and very effective in mediation and at trial.

From a cost benefit standpoint, Stacy has proven that her firm actually cost less per hour versus what I am able to hire a full-time paralegal. Because of her experience, Stacy is able to handle client work in less time than what it would take an average paralegal. By only billing me for actual productive hours, Stacy has increased the efficiency of my firm and allowed Salvini and Bennett to become more efficient in our billing.

Stacy Greene has proven herself to be valuable resource for my firm. I will, without a doubt, utilize her services again.

Sincerely,

A handwritten signature in cursive script that reads "Jessica Salvini".
